

SUMMIT PAVERS™

PREMIUM PORCELAIN

Kiel Dark

Summit Pavers™ presents a premium collection of porcelain pavers designed for long-lasting durability, versatile aesthetics, and straightforward installation across a wide range of exterior applications.

Over 40 Years of Innovation in Outdoor Design

Summit Pavers™ is dedicated to creating premium porcelain pavers that combine exceptional quality and inspired design. Our commitment goes beyond the product itself — it extends to the service, care, and professionalism we offer every customer.

ALPES

ALPES captures the strength of natural stone with a refined, contemporary look. Its bone-white tone brightens spaces while delivering the durability and sophistication ideal for modern architectural projects.

Size: 24 x 24 | Rectified

Thickness: ¾ inch

Application: Indoor/Outdoor

AREZZO

AREZZO blends warm neutral tones with long-lasting outdoor performance. Its stone-inspired texture adds timeless sophistication to terraces, patios, and social spaces.

Size: 24 x 24 | Rectified

Thickness: $\frac{3}{4}$ inch

Application: Indoor/Outdoor

Britton Light

BRITTON

Britton balances design and performance with a matte, stone-look porcelain surface for outdoor use. Its neutral tone delivers a modern aesthetic ideal for driveways, patios, pool areas, and upscale residential or commercial projects. Available in Dark and Light.

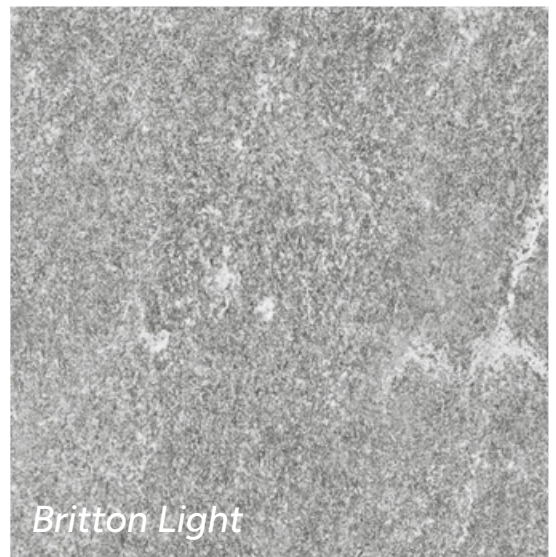

Size: 24 x 24 | Rectified

Thickness: ¾ inch

Application: Indoor/Outdoor

EMILIA

EMILIA highlights the purity of neutral tones, bringing brightness and visual balance. Its matte finish suits both indoor and outdoor spaces, offering a serene, durable, and naturally modern look for contemporary architecture.

Size: 24 x 24 | Rectified

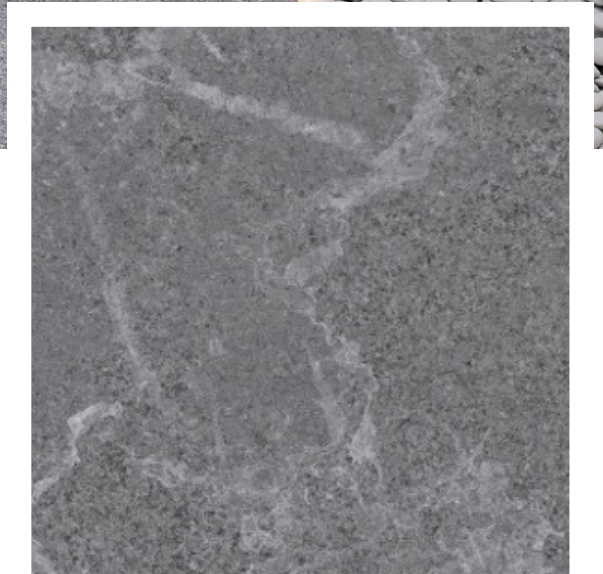

Thickness: $\frac{3}{4}$ inch

Application: Indoor/Outdoor

INDIGO

INDIGO delivers deep color and high performance with a dark gray, grip-finish surface ideal for outdoor and wet areas. Its bold tone creates elegant contrast, enhancing contemporary architecture with a refined, durable design.

Size: 24 x 24 | Rectified

Thickness: $\frac{3}{4}$ inch

Application: Indoor/Outdoor

Kiel Grey

KIEL

KIEL captures contemporary stone with a matte, anti-reflective finish that balances durability and design. Perfect for facades, terraces, and garages, it delivers lasting strength and timeless style. Available in three different colors; Kiel Dark, Kiel Gray and Kiel Sand.

Size: 24 x 24 | Rectified

Thickness: 3/4 inch

Application: Indoor/Outdoor

NOBU

NOBU blends artisanal design with lasting performance. This terrazzo-style outdoor porcelain offers enduring elegance, texture, and sophistication, making it perfect for modern, trend-resistant spaces.

Size: 24 x 24 | Rectified

Thickness: $\frac{3}{4}$ inch

Application: Indoor/Outdoor

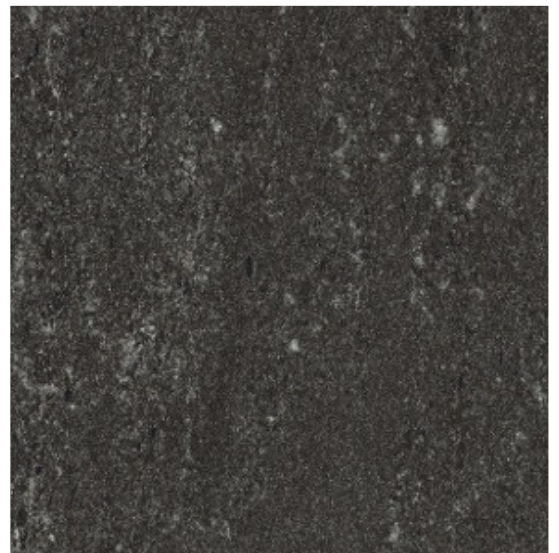

RIVIERA

RIVIERA combines water and wear resistance with a realistic stone look, making it ideal for terraces, bathrooms, and outdoor spaces. It brings a relaxed yet sophisticated atmosphere to any setting.

Size: 24 x 24 | Rectified

Thickness: ¾ inch

Application: Indoor/Outdoor

TERRARZO

TERRARZO modernizes a classic design, offering a durable, non-slip terrazzo-inspired surface perfect for terraces, patios, and pedestrian areas.

Size: 24 x 24 | Rectified

Thickness: ¾ inch

Application: Indoor/Outdoor
